§ 709.10 Treatment by conservator or liquidating agent of financial assets transferred in connection with a securitization or participation.

(a) *Definitions.* (1) *Beneficial interest* means debt or equity (or mixed) interests or obligations of any type issued by a special purpose entity that entitle their holders to receive payments that depend primarily on the cash flow from financial assets owned by the special purpose entity.

(2) *Financial asset* means cash or a contract or instrument that conveys to one entity a contractual right to receive cash or another financial instrument from another entity.

(3) *Legal isolation* means that transferred financial assets have been put presumptively beyond the reach of the transferor, its creditors, a trustee in bankruptcy, or a receiver, either by a single transaction or a series of transactions taken as a whole.

(4) *Participation* means the transfer or assignment of an undivided interest in all or part of a loan or a lease from a seller, known as the “lead,” to a buyer, known as the “participant,” without recourse to the lead, under an agreement between the lead and the participant. *Without recourse* means that the participation is not subject to any agreement that requires the lead to repurchase the participant’s interest or to otherwise compensate the participant due to a default on the underlying obligation.

(5) *Securitization* means the pooling and repackaging by a special purpose entity of assets or other credit exposures that can be sold to investors. Securitization includes transactions that create stratified credit risk positions whose performance is dependent upon an underlying pool of credit exposures, including loans and commitments.

(6) *Special purpose entity* means a trust, corporation, or other entity demonstrably distinct from the federally-insured credit union that is primarily engaged in acquiring and holding (or transferring to another special purpose entity) financial assets, and in activities related or incidental thereto, in connection with the issuance by such special purpose entity (or by another special purpose entity that acquires financial assets directly or indirectly from such special purpose entity) of beneficial interests.

(b) The Board, by exercise of its authority to disaffirm or repudiate contracts under 12 U.S.C. 1787(c), will not reclaim, recover, or recharacterize as property of the credit union or the liquidation estate any financial assets transferred to another party by a federally-insured credit union in connection with a securitization or participation, provided that a transfer meets all conditions for sale accounting treatment under generally accepted accounting principles, other than the “legal isolation” condition addressed by this section.

(c) Paragraph (b) of this section will not apply unless the federally-insured credit union received adequate consideration for the transfer of financial assets at the time of the transfer, and the documentation effecting the transfer of financial assets reflects the intent of the parties to treat the transaction as a sale, and not as a secured borrowing, for accounting purposes.

(d) Paragraph (b) of this section will not be construed as waiving, limiting, or otherwise affecting the power of the Board, as conservator or liquidating agent, to disaffirm or repudiate any agreement imposing continuing obligations or duties upon the federally-insured credit union in conservatorship or the liquidation estate.

National Credit Union Administration

§ 709.12

(e) Paragraph (b) of this section will not be construed as waiving, limiting or otherwise affecting the rights or powers of the Board to take any action or to exercise any power not specifically limited by this section, including, but not limited to, any rights, powers or remedies of the Board regarding transfers taken in contemplation of the credit union's insolvency or with the intent to hinder, delay, or defraud the credit union or the creditors of such credit union, or that is a fraudulent transfer under applicable law.

(f) The Board will not seek to avoid an otherwise legally enforceable securitization agreement or participation agreement executed by a federally-insured credit union solely because such agreement does not meet the "contemporaneous" requirement of sections 207(b)(9) and 208(a)(3) of the Federal Credit Union Act.

(g) This section may be repealed by the NCUA upon 30 days notice and opportunity for comment provided in the FEDERAL REGISTER, but any such repeal or amendment will not apply to any transfers of financial assets made in connection with a securitization or participation that was in effect before such repeal or modification. For purposes of this paragraph, a securitization would be in effect on the earliest date that the most senior level of beneficial interests is issued, and a participation would be in effect on the date that the parties executed the participation agreement.

§ 709.11 Treatment by conservator or liquidating agent of collateralized public funds.

An agreement to provide for the lawful collateralization of funds of a federal, state, or local governmental entity or of any depositor or member referred to in section 207(k)(2)(A) of the Act will not be deemed to be invalid under sections 207(b)(9) and 208(a)(3) of the Act solely because such agreement was not executed contemporaneously with the acquisition of collateral or with any changes, increases, or substitutions in the collateral made in accordance with such agreement, provided the following conditions are met:

(a) The agreement was undertaken in the ordinary course of business, not in contemplation of insolvency, and with no intent to hinder, delay or defraud the credit union or its creditors;

(b) The secured obligation represents a bona fide and arm's length transaction;

(c) The secured party or parties are not insiders or affiliates of the credit union;

(d) The grant or creation of the security interest was for adequate consideration; and,

(e) The security agreement evidencing the security interest is in writing, was approved by the credit union's board of directors, and has been continuously an official record of the credit union from the time of its execution.

§ 709.12 Prepayment fees to Federal Home Loan Bank.

The Board as conservator or liquidating agent of a federally-insured credit union in receipt of any extension of credit from a Federal Home Loan Bank will allow a claim for a prepayment fee by the Bank if:

(a) The claim is made pursuant to a written contract that provides for a prepayment fee but the prepayment fee allowed by the Board will not exceed the present value of the loss attributable to the difference between the contract rate of the secured borrowing and the reinvestment rate then available to the Bank; and

(b) The indebtedness owed to the Bank is secured by sufficient collateral in which a perfected security interest in favor of the Bank exists or as to which the Bank's security interest is entitled to priority under section 306(d) of the Competitive Equality Banking Act of 1987, 12 U.S.C. 1430(e), or otherwise so that the aggregate of the outstanding principal on the advances secured by the collateral, the accrued but unpaid interest on the outstanding principal and the prepayment fee applicable to the advances can be paid in full from the amounts realized from the collateral. For purposes of this paragraph, the adequacy of the collateral will be determined as of the date
